Morgantown Community,

The brothers of Phi Kappa Psi Fraternity at WVU has taken it upon themselves to institute a new Mountaineer Tradition. Annually, there will be a basketball tournament open to the public as a philanthropic event for the WVU Children's Hospital. With President Gee's Birthday so close to this years Gala, the Fraternity would like to donate all proceeds of the tournament in our beloved University President's name. We call on you, Morgantown Community, to make this a great event.

There will be two brackets of play, a women's and men's bracket. Each team must field seven players, and front \$150.00. Additional teams from the same organization will only be \$50.00. If an organization wants to participate, but is limited financially, financial aid is available on a first-come first-serve basis (please contact ASAP). We want everyone to participate that wants to. If you can not physically join us for the tournament, please consider donating to this cause as donations will be accepted. This is an event meant to inspire both students and community members to rally behind sports to raise money for a greater cause!
